

# ImpactXR Consultation Services

Helping schools, businesses, and organizations explore, plan, and maintain immersive learning, virtual reality, and workforce training solutions.

## Discovery Call

15-20 Minutes

Free

### Includes:

- General information gathering
- Overview of ImpactXR services
- Discussion of goals, audience, and intended use
- Basic fit assessment
- Recommendation for next steps

### Best for:

First-time inquiries and organizations exploring whether ImpactXR is the right fit.

## Strategy Session

60-90 Minutes

\$450

### Includes:

- Deeper needs assessment
- Review of goals, staffing, scheduling, and space
- High-level implementation guidance
- Recommendations for a practical starting point
- Follow-up consultation summary

### Best for:

Schools, businesses, and organizations that want structured guidance before a larger investment.

## Implementation Blueprint

May increase up to \$2,000 based on project scope

Starting at \$1,850

### Includes:

- Detailed consultation and planning session
- Customized implementation strategy
- Phased rollout recommendations
- Headset, resource, staffing, and facilitation guidance
- Scheduling, operational planning, and budget framework
- Written implementation blueprint

### Best for:

Organizations that need a professional roadmap to launch or expand immersive learning, VR services, or workforce development programming.

### Why pricing may increase to \$2,000

Final pricing may increase when additional planning or customization is needed, such as serving multiple audiences, supporting multiple program goals or use cases, requiring more detailed operational planning, expanded written recommendations, or addressing larger or more complex organizational needs.

## Ongoing Support & Maintenance

Starting at \$295/month

For schools and organizations that want continued support after implementation, ImpactXR offers monthly consulting and maintenance guidance to help keep services running smoothly and effectively.

### Light Support

\$295/month

#### May include:

- One monthly check-in
- Minor update guidance
- Preventative maintenance suggestions
- Basic troubleshooting support

### Active Support

\$495/month

#### May include:

- Monthly support session
- Routine system review
- Update and maintenance guidance
- Service usage recommendations
- Light refresh planning

### Managed Support

\$750-\$1,000/month

#### May include:

- Priority support access
- Multiple support touchpoints
- Ongoing service optimization
- Headset upkeep planning
- Staff support guidance
- Strategic improvement recommendations

## Consultation Investment Summary

Discovery Call	Free
Strategy Session	\$450
Implementation Blueprint	\$1,850-\$2,000
Ongoing Support & Maintenance	Starting at \$295/month

Final monthly pricing depends on number of devices, level of support needed, service frequency, customization, and whether on-site support is requested.
